

Supplemental Course Summary Sheet

Applicant Name: _____

Because art therapy comes from a studio art and psychology background, the pre-requisites listed below are required. **These prerequisites are required by the American Art Therapy Association.**

Please complete the following chart to demonstrate when you have or will complete the prerequisites. If you have not yet taken the class, please indicate when you will take it. If the class title does not readily show that it included drawing, painting or figurative clay, please indicate this in the description and send a syllabus or official course description to artx@gwu.edu. **The course grade for all prerequisites must be a B or above (B- is not accepted).**

1. Studio Art

18 credits that must include at least one class (3cr) in drawing, painting and figurative clay.

[illegible]

ART THERAPY PROGRAM

COLUMBIAN COLLEGE OF ARTS AND SCIENCES

2. Psychology

12 credits that must include 3 credits of abnormal psychology and 3 credits of child or human development.

Course	Credits/Institution/Semester/Year/Grade	Description if needed
<i>Example: Human Development</i>	<i>3 cr/George Washington University/Fall 2009/A-</i>	<i>This course covered all of the stages of human development.</i>

3. Forthcoming Prerequisites

If you have yet to complete any prerequisites, please state your plan for completion:
